

Telerik Academy Upskill React FAQ

What will I learn at the Telerik Academy Upskill React program?

The program is three months long and focuses on hands-on experience and real-world web projects. By the end of the program you will be able to develop fully functional web applications with React.

Who can apply and how?

Whether you are front-end or web developer who wants to upskill, or you are new to web development, but have experience in programming, this program will equip you with in-depth understanding and practical insight of the world's most popular front-end library - React.

The admission process includes the following steps:

- CV and application form submission (mandatory)
- Online programming test (mandatory)
- Online career event (optional)
- Interview (upon request)

How much experience should I have?

The program is designed for developers who have at least 1+ years of experience in JavaScript (preferably), or any other programming language (C#, Java, Python, etc.), it is also perfect for Telerik Academy Alpha alumni.

What does the online programming task include?

The test aims to assess your general knowledge across 2 domains - JavaScript and Web Development, and consists of 12 closed-ended and 5 open-ended questions. It will be accessible after you complete your application. Once started, you'll have 45 minutes to do the test.

Is there a minimum passing score for the programming task?

No, the passing score for the test will be based on the overall performance of all applicants.

What is the candidate selection process?

We use a holistic review process when evaluating applicants for admission. The final selection of candidates is not based on a simple formula of grades and tests scores. Instead, we consider a variety of factors: application documents, online programming test results, personal motivation for applying, etc. Some candidates might also be invited to attend interview to additionally discuss their motivation and aspirations.

If I am invited for an interview what will that include?

Interviews will focus on candidates' motivation and aspirations and will determine if the program is appropriate for each candidate based on their needs, expectations and personality.

Can I choose between online and onsite training?

Due to COVID-19, the program will be held online. While we transitioned the program online, we kept everything else unchanged: same high-quality training, engaging learning experience and 100% focus on practice.

Please note that attendance is key to our students' successful graduation. Participants must attend all classes. Up to 3 days of absence are allowed, plus the program has 2 one-week vacations.

Do I have to sign a contract to join the program?

Yes, all admitted students should sign a contract with Telerik Academy prior to the program start.

What happens if I drop out of the program?

In case of any unforeseen and unintended circumstances and within the first 2 weeks of your tuition, you can drop out of the program with no accrued costs.

Are we going to have homework assignments?

Yes, the program includes regular homework assignments which are the basis for the final project presentations.

Do all students graduate?

Students must successfully pass all requirements and assignments to graduate.

Will I receive a certificate at the end of the program?

Yes, graduates will receive a certificate for successful graduation of the program.

Does Telerik Academy help alumni find new jobs after successful graduation?

As this is an Upskill program, it isn't geared towards connecting learners and businesses. But the skills and experience you gain will help you excel in your career or find a new job, just like it helped our alumni reach their career goals.

How much does the training cost?

The regular tuition fee for Telerik Academy Upskill React is BGN 2,550. If you apply by 10 July, you will get an early bird price of BGN 2,350/*2,300. If you apply with a friend, you will get a discounted price of BGN 2,100.

The fee could be either covered by you or your employer. In both cases, the fee is paid via bank transfer prior to the program start. Another tuition fee option is to pay in installments with a loan from a bank, partner of Telerik Academy. You can benefit from a deferred payment over 12-24 months' period.

*Early bird price for Telerik Academy alumni.

How can I apply for the discounted tuition fee for candidates working in the NGO (Not-forprofit) sector? Are there any special terms that apply?

Every candidate working in the NGO sector can apply for a 90% discount off the regular program pricing (two per cohort). The candidate must submit their application through our website (www.telerikacademy.com) and follow any specific requirements for candidate selection (submit an application to Telerik Academy, part of Campus X, 31 Alexander Malinov Blvd. Sofia 1729, Bulgaria info@telerikacademy.com entry test/task, attend an interview, if requested, etc.). If the candidate is invited to join the program, their employer will be required to sign a contract with Telerik Academy and cover 10% of the regular tuition fee for the program. Please note that the candidate selection process evaluates the candidate's profile, not the NGO's.
